

# Gluten-Free at H-E-B

Shopping gluten free isn't easy. Gluten, which is a protein found in grains like wheat, barley, rye & spelt, is found in many food products and not always clearly listed as an ingredient. At H-E-B we're committed to making shopping for gluten free items easier for you.

Below is a list of some of our most popular items that are gluten free; however, there are many more items in our stores that are also gluten free. We provide this list to you based on guidance from our local celiac organization regarding those items that are most uncertain in terms of their gluten free status. We have not included items on our list that are naturally gluten free such as shredded lettuce or salt (simple & single ingredient items). We hope that this condensed list will be convenient for you. You will find items that are a part of our H-E-B Family of Brands (including H-E-B, H-E-Buddy, Central Market, and Hill Country Fare items) as well as National Brand items.

There is not currently a regulated definition for gluten free items in the United States. The definition of gluten free for the items in our H-E-B family of brands is as follows: Contains no wheat, barley, rye, triticale or any triticum species such as spelt or kamut (residual gluten is less than 20 ppm).

You will also see a gluten free icon on some of the packaging for products in our H-E-B Family of Brands. This icon is being added to our packaging over time and as new items are introduced. The below list of our items and the National Brand items offered will also be marked as gluten free at the shelf for your convenience. While H-E-B is always updating its selection of gluten-free items, due to space considerations please understand that some stores may not carry the full selection of these products. Call ahead to determine whether a specific item is in-stock at your H-E-B. Please also check this regularly updated list to assure that you have the most current version.

## Table of Contents

- 1) *BAKING /SPICES*
- 2) *BREAKFAST CEREALS*
- 3) *SHELF STABLE CANNED FOODS*

- 23) *MISCELLANEOUS*

While every effort has been made to make this list of gluten-free products as accurate as possible, this list should be used only as a guide and should not be used as your ultimate source for gluten-free information. Product ingredients change periodically and there may be inaccuracies or typographical errors in this list. It is your responsibility to read the product label or check with the manufacturer before consuming a product. H-E-B cannot be held responsible to any person or entity for individual reactions to any products nor can it guarantee the absence of cross-contamination. This list should not be relied upon for personal or medical decisions and you should consult an appropriate professional for specific advice relating to your situation or condition. This list is not intended to be a complete listing of all gluten-free products available.
